# Welcome to Brass City Ballet!

We are a nonprofit 501(c)(3) organization located in Middlebury, CT. We began 37 years ago with the mission to provide the art, technique, and joy of dance. We do so through our school, performing company, and community outreach.

Our curriculum emphasizes building life skills, strength of character, and resilience. We believe in encouraging self discipline, team work, problem solving, and creativity in an open and communicative environment.

Our **Recreational Program** is geared for ages 18 months to adult in classes of ballet, modern, jazz, and hip-hop. Our **Concentrated Studies Program** is for students age 8 and up who are ready for more in-depth ballet training.

We invite you to take a free trial class and experience for yourself the art, technique, and joy of dance!

# Our Policies

*"We want to ensure a beneficial dance experience  
for all of our students."*

Elizabeth Fisk Barisser, BCB Founder/Artistic Director

**Non-profit Organization/Non-Discrimination Notice** - Brass City Ballet (BCB) admits students of any race, sex, sexual orientation, gender, religion, national or ethnic origin, and does not discriminate on the basis of such in administering its policies and educational programs.

**Class Attendance** - We expect all our students to attend class on a regular basis. Students who do not attend class regularly may find that they have not kept pace with the program's requirements. As a result, they may be inadequately prepared for performance or promotion to the next level. If a student consistently misses class, he/she may be removed from a performance.

Let us know of any absences from class or rehearsal by emailing [info@brasscityballet.org](mailto:info@brasscityballet.org) or calling (203) 598-0186. When we don't know why your child is absent, we get concerned.

*"Founded in a church basement in 1985 by cool mom and Artistic Director, Elizabeth Fisk Barisser, BCB is where it all started. Here I formed the foundation of my dance technique, explored the creative process, learned to receive and implement constructive criticism, watched/listened/absorbed the wisdom of those who came before me, and built lifelong friendships."*

Eleanor Barisser, BCB alumna/daughter of Artistic Director

**Make-Up Lessons** - If, for whatever reason, your child misses a lesson, ask our Studio Manager for a list of suitable make-up classes. During production weeks prior to *The Nutcracker* and other major productions, there are limited classes available for the Concentrated Studies students. The youth and adult classes are still held, as scheduled, during those times.

**Waiting Room** - Respect must always be given to the class or rehearsal in progress. Please keep voices and sounds in the waiting areas to a minimum.

## Policies (Cont'd)

**Arrivals** - Under age 11 - Students under the age of 11 may not be dropped at the door to walk upstairs alone. Students under the age of 11 must be supervised until class begins.

**Late arrival** - Please make sure your dancer arrives early, giving them plenty of time to dress and warm up before class begins. When a dancer enters a class late, they must ask the teacher permission to join class. If more than ten minutes late, they may be asked to sit out and observe class.

**Pick-Up** - The traffic within the parking lot is unpredictable. Therefore, we ask your child to wait inside the building. If your car is parked on the side of the building, your child will be permitted to leave and go to the car unattended. Do not ask your child to cross the parking lot unattended. If you are parked across the lot, please come to the door to escort your child. Please be on time to pick up your dancer. If you are running late, please call us at (203) 598-0186 and let us know. If you are continuously late, your family may be charged a \$50 per fifteen minutes fee and may be asked to leave the school.

*"As a dance studio we take pride in the people  
our dancers grow up to be!"*

Dina Lasso, BCB Artistic Assistant

# Policies (Cont'd)

**Communications** - Between teachers & parents - When you need to speak with a teacher, please refrain from doing so right before or during class. Please contact us by emailing [info@brasscityballet.org](mailto:info@brasscityballet.org) to set up a conference time.

**Notices** - Always check your emails for notices and updates since we do not always hand out flyers. At times, there are last minute rehearsal changes, canceled classes, costume issues, etc. Please do not contact the faculty on personal cell phones unless it is an emergency. We strongly encourage you to check out our website, [www.brasscityballet.org](http://www.brasscityballet.org), and like our Facebook page (Brass City Ballet), Instagram (@brasscityballet), and Twitter (BCBallet).

**Social Media** - Please be sensitive to your fellow dancers. No photographs or videos are allowed during class except during parent observation week. This includes the young children's classes. Be respectful of your teachers and peers in any texts, social media comments, or videos that appear online. Bullying, harassment, or defamatory statements will not be tolerated and are grounds for dismissal at BCB.

**Class Cancellations** - If there is a class cancellation, we will notify you via email. It will also be posted on our Facebook, Instagram, and Twitter accounts.

**Injury** - If your child is injured, they should still come to watch class and rehearsals. There is great value to observation. It prevents your dancer from falling behind in learning new concepts that are introduced or steps that are rearranged that day.

**Withdrawals** - If circumstances lead you to withdraw your child from BCB, we require 30 days written notice. Please be reminded that tuition is nonrefundable, as was stated and agreed to by signature when you registered for class on our Jackrabbit portal. If BCB policies are not respected, we reserve the right to dismiss the student from BCB. If you withdraw, please come say good-bye. Our teachers and staff form a close bond with your child and will miss them!

**Refunds** - BCB tuition and fees are non-refundable and will not be reimbursed for any reason other than illness or injury, in which case a doctor's note is required.

## Policies (Cont'd)

**Attire outside of the studio** - The dance attire is very special and belongs solely in the studio. Leotards, tights, socks and ballet slippers are designed to ease the freedom of movement while also allowing the teacher and student to see the lines and positioning of the body. Dancers, no matter the age, do not wear their studio dance attire out into the streets. We ask that when you leave the building, you wear a top with a skirt, pants or shorts.

**Dance Journals** - All Ballet 2/3 and Concentrated Studies students are required to have a dance journal. These are needed for writing dance notes, exercises, corrections, thoughts or drawings. They also become a wonderful memento of your child's dancing career at BCB!

**Dance Bag Contents** - Depending on the age of the dancer and the level she/he is in, we recommend stocking the dancer's bag with the following: dance journal, extra pair of tights & leotard, ballet slippers, pointe shoes, sewing kit (needle &, dental floss), lamb's wool or paper towels for pointe shoes, ballet skirt, hair gel, hair spray, extra bobby pins, hair elastics, hairnets, brush, dance sweaters, leggings or leg warmers, hygiene products, deodorant, eau de toilette, hand sanitizer. We recommend your children consult their buddies for a complete list of items.

**Spirit Week** - Sometimes, it's important to just have fun! One opportunity to do so is during Spirit Week when each class dresses up according to a chosen theme. Wear your flair to your dance class that week. Concentrated Studies students wear theirs on the Saturday of that week only. Check our website calendar for Spirit Week dates.

# Our Student Groups

Students form strong bonds, and one of the ways we encourage this is through our groups within the Concentrated Studies (CS) Program: BCB Company, BCB Junior Company and the Buddy System.

**The BCB Company** - The BCB Company is a select group of BCB students who are enrolled in the Concentrated Studies Program at level C2 or above. Entering the company is determined by audition, and standards must be maintained in order to remain a company dancer. One of the main purposes of the BCB Company is to help young dancers grow up! In the BCB Company, they learn responsibility, accountability, discipline and patience, all in a setting of friendship and respect. Company members are offered a chance to see the administrative side of dance by coordinating special fundraisers, organizing the Dance Slam and supervising other activities. Although there is a fee to join BCB Company, its members are exempt from audition and production fees.

**The BCB Junior Company** - The BCB Junior company is a newly created group made up of students who are enrolled in the Concentrated Studies Program at levels A2 (second half of the year only) through C1. There is no audition to join, but consistent class attendance and the student code of conduct must be followed in order to remain. There is no fee to join the Junior Company. In the second half of the year, certain C1 students may be invited, depending on their class attendance, conduct and maturity, to participate as Trainees in the BCB Company. This will help give them a sense of what to expect in the years to come.

**Buddy System** - In our Buddy System, each Concentrated Studies student is paired up with a BCB Company member who becomes a guide for your child: answering questions, offering advice and giving encouragement. Depending on the number of Company members, there are, on average, between 4-5 students in each buddy group. If there is anything your child is concerned or curious about, remind her/him to go to the buddies!

*"Thank you, young ladies of Brass City Ballet, for being bright, talented, determined, and generous. You're real life role models for my girls. No Disney princess could compare."*

Karin Terebessy, former BCB Yoga instructor & mother of two girls

# Codes of Conduct

## Parents' Code of Conduct

- ❖ Please bring your dancer to all classes and rehearsals on time and in dress code.
- ❖ Help your dancer to be successful in BCB's program by making sure they understand the expectations outlined in our Policies as listed in our booklet. We ask that you and your child sign acknowledgement of having read this handbook together.
- ❖ Please observe good manners and sportsmanship by teaching your dancer to approach dance with a spirit of cooperation and support for his/her classmates.
- ❖ Everyone has strengths and weaknesses. Your dancer will progress in his/her own way and time. Please be patient and enjoy watching your child's journey. BCB teachers enjoy seeing your child advance and have only his/her progress in mind.
- ❖ If you have any questions, concerns, or if your dancer is having difficulties, please schedule a time to confer with the directors and teacher. The end of class is not an appropriate time to speak at length, and we would rather give full attention to the matter at hand.
- ❖ Please register on time. BCB plans ahead and needs to know its enrollment in advance.
- ❖ Please accept casting and level placement graciously. BCB's faculty have decades of experience and know your dancer well. If you have questions about placement or casting, please ask only about your own dancer and requirements there are for his/her class or role. Refrain from comparing your dancer to another. It is unethical for BCB teachers and directors to discuss other dancers with you.

*"BCB is more than just a dance studio! It is lifelong learning with high standards — and a place these dancers call home! Your dancer will get so much more out of their time at BCB than 'just' dance lessons."*

ShawnaLee, mother of BCB Company member

# Codes of Conduct

## Students' Code of Conduct

- ❖ Observe good sportsmanship! Accept class level placement with grace and dignity. Do not speak ill of others. Work with the other students in your class in a spirit of cooperation.
- ❖ Progress in ballet is very individual. Please do not judge others or compare yourself to others. Everyone has strengths and weaknesses. There will be times in your ballet career when you are a leader in your class and times when you will be challenged at your level. This is a normal part of the process and important lessons can be learned from both experiences.
- ❖ Regular attendance at class is imperative to your progress and shows respect to your teachers, your fellow students, and to yourself! Please do the best you can to attend all classes and rehearsals. On the other hand, when stress from homework is proving unsustainable, please stay home and take the time to focus on it. Just make sure you let us know and make up the class later.
- ❖ Our teachers want the best of you. They will be honest with you and often make necessary corrections. Look at their corrections and feedback as a sign of investment in you. Respect their opinions and their many years of experience in education. If you have questions or concerns, please schedule a conference.
- ❖ Read and abide by our social media policy in this booklet.
- ❖ Your mind and body need to grow and be strong: educate yourself about art, culture, and events in the world; educate yourself about nutrition; learn how to prevent injuries; take care of your body and mind before and after class.
- ❖ Accept who you are and be proud of your accomplishments!

*"The struggles students face in their daily lives can be tough, but the dance studio provides a safe haven, a place where success is earned and failure is an opportunity to learn and grow."*

Elizabeth Fisk Barisser, BCB  
Founder/Artistic Director

# Dress Code

Appearance in the classroom is preparation for appearance on the stage. It is a part of the discipline of dance, therefore each student is expected to dress neatly and to secure their hair properly for classes and rehearsals. Students will be asked to sit out the class if the dress code standards are not maintained. Jewelry, watches, bracelets, long or hoop earrings, and body piercings are not permitted in class.

## **Hair**

Short hair must be secured away from the face with headbands and clips. For chin length hair, girls may place their hair in two low ponytails just behind the ears. At the discretion of the teacher, ponytails, with no bangs and neatly smoothed, are permitted, in Modern, Contemporary, Jazz, & Hip-Hop.
